Section IIIA—TIME EXTENSION

Within this section, discuss your jurisdiction's progress in implementing diversion programs that were planned to achieve 50%. Provide any additional information that demonstrates "good faith effort." The CIWMB shall determine your jurisdiction's progress in demonstrating "good faith effort" towards complying with AB 939. Note: The answers to each question should be comprehensive and provide specific details regarding the jurisdiction's situation.

Attach additional sheets if necessary—please reference each response to the appropriate cell number (e.g., IIIA-1).

- 1. Why does your jurisdiction need more time to meet the 50% goal? Describe why SRRE selected programs did not achieve 50% diversion. Identify barriers to meeting the 50% goal and briefly indicate how they will be overcome.**

The City of Santee has met its 1066 ADR requirement of 41.1% as it has a State recognized diversion rate of 47%. It has also complied with all but one of the programs that were listed on the 1066 ADR. The City has not adopted a Construction and Demolition (C&D) ordinance. Over the past two years, the Technical Advisory Committee (TAC) of the Integrated Solid Waste Management Local Task Force, of which Santee is a member, has been working to create a draft C&D policy/ordinance. On December 29, 2004, TAC distributed the draft C&D policy/ordinance to all jurisdictions in San Diego County to consider for adoption. As the 1066 ADR deadline was December 31, 2004, the City of Santee is requesting a one-year time extension to allow for the adoption of a C&D policy/ordinance.

With regards to the 50% diversion rate requirement, the City of Santee recently applied for Base Year adjustment. If the Base Year application is approved by the California Integrated Waste Management Board, Santee's diversion rate will be at 55%, thus exceeding the States 50% diversion rate requirement.

- 2. Why does your jurisdiction need the amount of time requested? Describe any relevant circumstances in the jurisdiction that contribute to the need for a Time Extension.**

Over the past two years, the Technical Advisory Committee (TAC) of the Integrated Solid Waste Management Local Task Force, of which Santee is a member, has been working to create a draft C&D policy/ordinance. On December 29, 2004, TAC distributed the draft C&D policy/ordinance to all jurisdictions in San Diego County to consider for adoption. As the 1066 ADR deadline was December 31, 2004, the City of Santee is requesting a one-year time extension to allow for the adoption of a C&D policy/ordinance.

- 3. Describe your jurisdiction's Good Faith Efforts to implement the programs in its SRRE.**

The City of Santee has made a Good Faith Effort as it has met its 1066 ADR requirement of 41.1%. Santee has a State recognized diversion rate of 47%. The City of Santee has implemented all but one of the programs listed on the 1066 ADR, which are also part of its SRRE. Santee has not adopted a C&D ordinance.
